EDUCATION

Franklin Central High School

Franklin Central Honors Diploma

During my time at Franklin Central, I discovered my interest in resistance training while preparing for high school baseball. I eventually chose to focus solely on resistance training after my sophomore year. My high school strength and conditioning coach became a significant mentor and great role model for me.

Indianapolis, IN

August 2016 - May 2020

Indiana University - Indianapolis

Fourth Year Studying Exercise Science

Throughout my time at IUPUI, I've gained valuable experience and honed my skills. These experiences have sharpened my knowledge in resistance training, medical skills, and providing clients with quality experiences.

Indianapolis, IN

August 2016 - May 2020

- *Experience Personal Training through the INShape Program at NIFS.*
- *Experience Working with Disabled Individuals through IUPUI's Motor Activity Clinic*
- HIPAA Certified
- [American Heart Association eCard](#)
